

WE ARE ONE

Music/Lyrics by Jürgen Solis | inspired by THE DIVINE

1 Without the bad, there would be no good.
sounds strange, but with no hunger there would be no food.
Without the dark there would be no light.
And without a day - there would be no night.
They are all opposites – but the quality is the same, you'll see
difference is merely a matter of degree.

Ref We are one - we are one

I'm another yourself - and you're another myself

In lak'ech – Ala K'in⁽¹⁾

Vasudhaiva kutumbakam⁽²⁾ - Mitakuye Oyasin⁽³⁾

2 What goes around exactly comes around
the way it was sent out - what kind of world do you want?
If you don't like the way life is treating you, just ask yourself:
How are you - treating your life? And stop your victim game.
All the trees, all animals, the whole universe - we all are one
So start right here cause - new life has just begun

Ref We are one - we are one

I'm another yourself - and you're another myself

In lak'ech - ala K'in

Vasudhaiva kutumbakam - Mitakuye Oyasin

Ref We are one - we are one (acapella) ...

Ref We are one – we are one ...

FIN cause we all are **OOOOOONNNNEE**

In this whole universe we all are **OOOOOONE.**

⁽¹⁾ In lak'ech – Ala K'in (Maya): I am another yourself – you are another myself.

⁽²⁾ Vasudhaiva kutumbakam (Sanskrit): the whole world is one family

⁽³⁾ Mitakuye Oyasin (Lakota): We are related to all
